DEDICATION

In grateful appreciation of his understanding of young people, his unvarying interest in their activities, his untiring efforts, and his never failing inspiration, we dedicate this volume of THE CHEROKEEAN to our superintendent, Mr. B. D. Lee.

Mr. B. D. Lee
SUPERINTENDENT

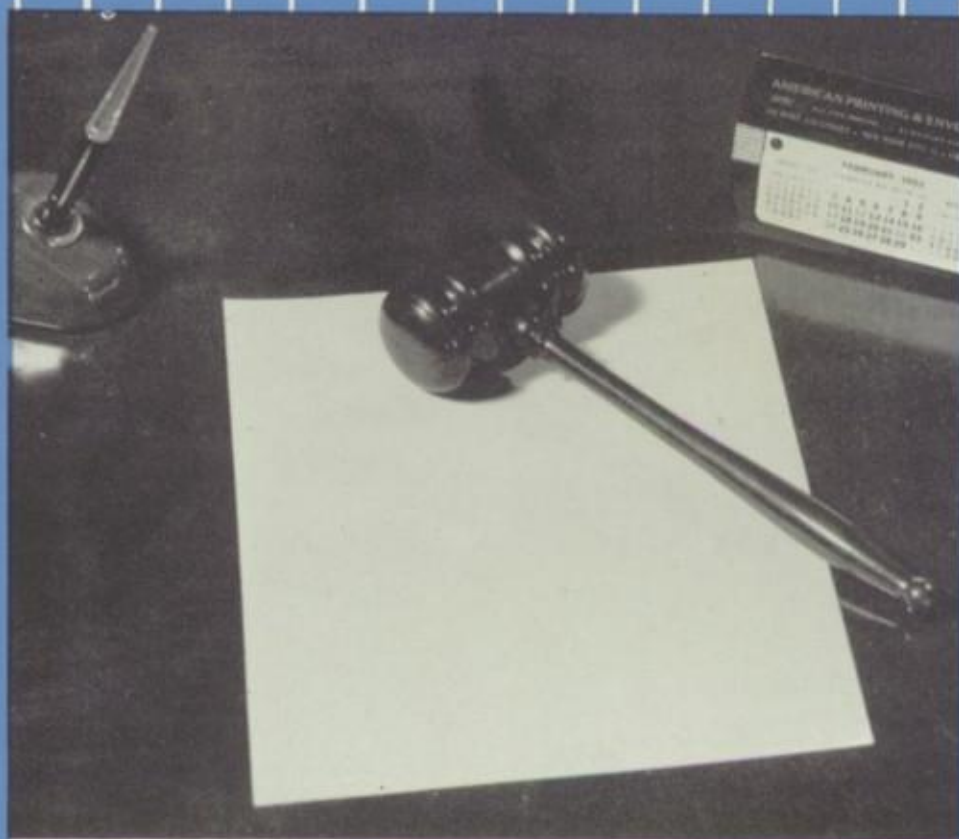

ALMA MATER

G. H. S. our Alma Mater
Thou art honor due,
Thou art growing ever dearer
We love only you.
May thine honor, name, and glory
Stand the test of time,
Trust we ever, doubting never
That thou art sublime.

CHORUS

Praise her, Praise her, ever singing,
Tell her gloriousness,
Hail to thee, Our Alma Mater
Hail, hail, G. H. S.
Proud her walls stand towering upward,
Ever towards the sky,
Pointing to us paths of learning,
Wisdom from on high.
To our guardian, queen, and mother,
We would glory bring,
In our hearts her knowledge hidden,
To her now we sing.

A Tribute
to
Herbert Hallman

The joys of our last year of high school have been dimmed because they were not shared by one of our members, Herbert Hallman, whose illness prevented his entering the senior class with us.

The fortitude and patience with which he faces his trials will ever serve as an inspiration to his classmates.

Herbert is the kind of person who would be missed in any group for he possesses such admirable traits that he holds a unique place among us; always cooperative, considerate of others, quiet but enjoying a keen sense of humor, reliable in all situations and willing to do his part in whatever the group undertakes.

Our hearts are heavy because of his suffering and our prayers are ever that our infinite Father's mercy may restore him to his place among us.

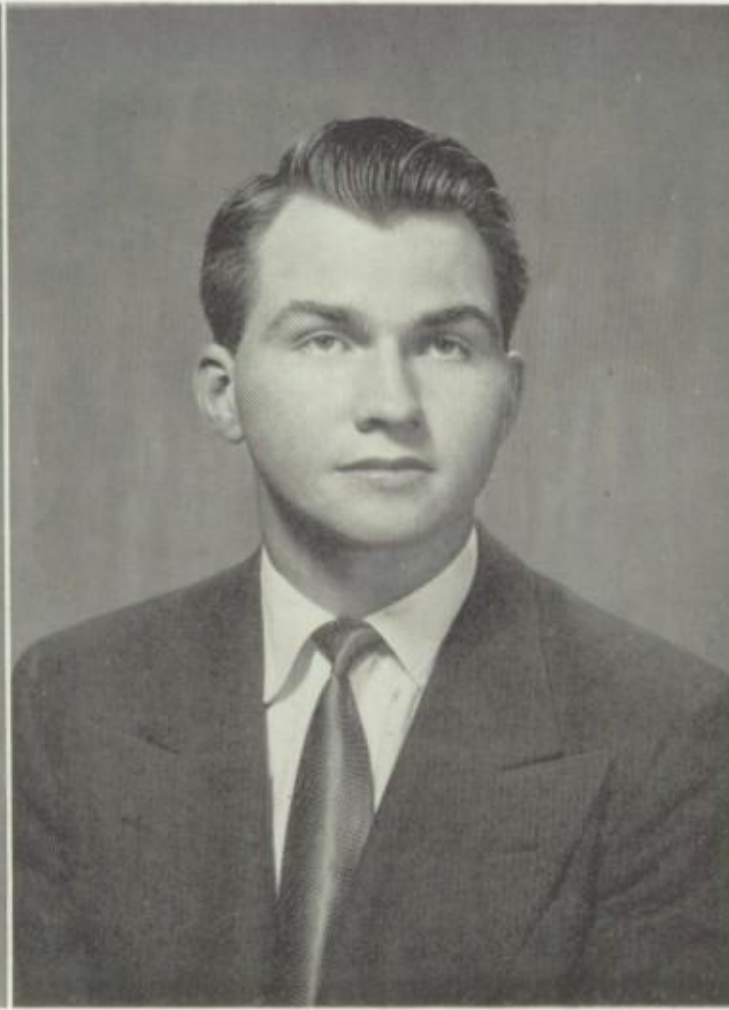

Best of everything to one
of our smartest classmates -
Janie

FOOTBALL

*Best Wishes
George H. Fritts*

GEORGE H. FRITTS, *Head Coach*

The springtime grass has spread its verdant carpet everywhere—everywhere except one barren, unhealed spot between the thirty yard lines in the G. H. S. football stadium where the pacing feet of George Fritts have worn a permanent path during the three years he has served as Athletic Director and Head Coach of Gaffney High School. Hat on back of head, cigar clamped tightly between his teeth, the genial mentor—has become a familiar figure to sports fans of this area.

A product of the Lenoir City, Tennessee High School, Fritts entered Clemson in 1938, where he came under the tutelage of both Jess Neely and Frank Howard, two of the most successful and colorful coaches in the South. At the latter institution, he was an all-Southern and all-State tackle for three successive years, was named on the all-South by Grantland Rice, and was voted all time all-State for South Carolina. He participated in the Tiger Cotton Bowl victory at Dallas in 1940, and in the annual Blue-Gray game at Montgomery in 1941. That same year his teammates named him co-captain of the Bengal eleven.

Lest it be thought that his only interest was athletics, note that he was voted the Best Scholar, Best Athlete at Clemson in 1941.

Following his graduation from college in 1942, Coach Fritts spent two years at Fort McClellan, Alabama, as a second lieutenant in the United States Army.

After his release from the army, he returned to Clemson, serving as line coach there in 1943-1944. The following year he spent playing professional football for the Philadelphia Eagles. From 1946 to 1948, he was line coach at Newberry College and during the same years he played with the Charlotte Clippers.

Since 1949 he has been Athletic Director and Head Coach at Gaffney High School, where he has compiled an enviable record. During the past season the Indians overcame two of the most formidable elevens in South Carolina prep football, Greenville and Parker, on successive week-ends. Spartanburg, arch-rivals of the Tribe, also fell before the victorious Cherokees in the annual Turkey Day classic for the first time in a number of years.

Always in the stands rooting for our coach along with the other Indian fans are his attractive wife, Gloria, and the two young Frittses, Cynthia Jane, age four, and George David, age one.

FOOTBALL RESUME

GENE WHELCHER, Captain
BUDDY SMITH, Co-Captain

The 1951 edition of the Gaffney High Indians went into action in the initial contest by playing host to the Greer Yellow Jackets. The Indians started rolling at the kickoff and continued until the end of the game. With the spectacular running of little Ed Patrick and the fierce line plunging of Earl "Crook" Martin, the Gold and Black easily managed an impressive 33-7 victory.

The Frittsmen then tangled horns with the powerful Rock Hill Bearcat eleven the following Friday night. Before some 5,000 fans, Gaffney fought gamely and valiantly to sweep Rock Hill from the unbeaten ranks, but it was to no avail, as the Bearcats walked off with a 13-0 win. The Indians couldn't get their ground attack moving against Rock Hill's huge line, but threatened consistently with their aerial attack.

The boys from Cherokee then traveled over to Greenville to play a highly touted and undefeated Parker eleven. Early in the first quarter Gaffney scored when Wingback Patrick picked up a Parker fumble and galloped twenty-seven yards to pay dirt. Parker tried everything to get back into the ball game, but the powerful Gaffney line held, and the game ended with Gaffney giving the Golden Tornado their first defeat 7-0.

The Gaffney team, overjoyed with their defeat of Parker High, then settled down to hard work in preparation for the Greenville High Red Raiders. Greenville was undefeated and was proclaimed as one of the best in the state, and one of the greatest Greenville teams ever to take the field. But the Indians paid no heed to this publicity and went into the game a decided underdog. The two teams battled toe to toe for the first three quarters with neither team threatening too seriously. Then the Frittsmen

began to roll in the fourth quarter and marched forty-nine yards to the double stripes with Porter skirting right end for nine yards and a touchdown. The Indians held till the end of the game, and Gaffney had pulled its second major upset in two weeks. The irony of it all was that they defeated both teams by identical scores, 7-0, and both teams were from Greenville where assistant coaches Eddis Freeman and Ralph Tedards had played high school ball.

Gaffney, now boasting an impressive 3-1 record, next played host to Union. The game was slow at first, but Gaffney finally mustered a score and caught fire. They then completely outclassed the Yellow Jacket team, by scoring three more touchdowns and leaving the field with a 27-6 victory.

The Indians then moved over to Easley and handed them a terrific barrage of running, blocking and tackling that continued the entire game. When the smoke of battle had faded, the Gaffney eleven were on their way home with another impressive victory. Fullback Martin and Wingback Patrick led most of the running attack as the Gaffney line blocked and tackled vigorously. The Indians gained over 350 yards while outclassing the Green Wave 32-0.

The next pigskin warfare took place in the mud and rain against the Chester Red Cyclone. Both teams were hampered by the sloshy and inclement weather, but Gaffney did not let the weather keep them from scoring, as they pounded out two well-earned scores and went on to eliminate Chester 14-0.

Anderson then came to Gaffney seeking to avenge the 13-13 tie score they were handed the year before. And they did get their revenge, as Gaffney could not cope with the sensational passing accuracy and powerful running of Don King. The game almost ended in a scoreless tie, but King passed to an Anderson end who made a spectacular circus catch with two minutes to play and stumbled over the goal for the deciding score. The extra point was kicked and Anderson won, 7-0.

The loss to Anderson greatly pulled the morale of the Frittsmen down. They had just lost a heartbreaker and now had to play one of the top teams in the state, the Greenwood Emeralds. Greenwood found Gaffney an easy prey, and they pounded a 27-6 win over the Indians. This now left the Gaffney eleven with a 6-3 record.

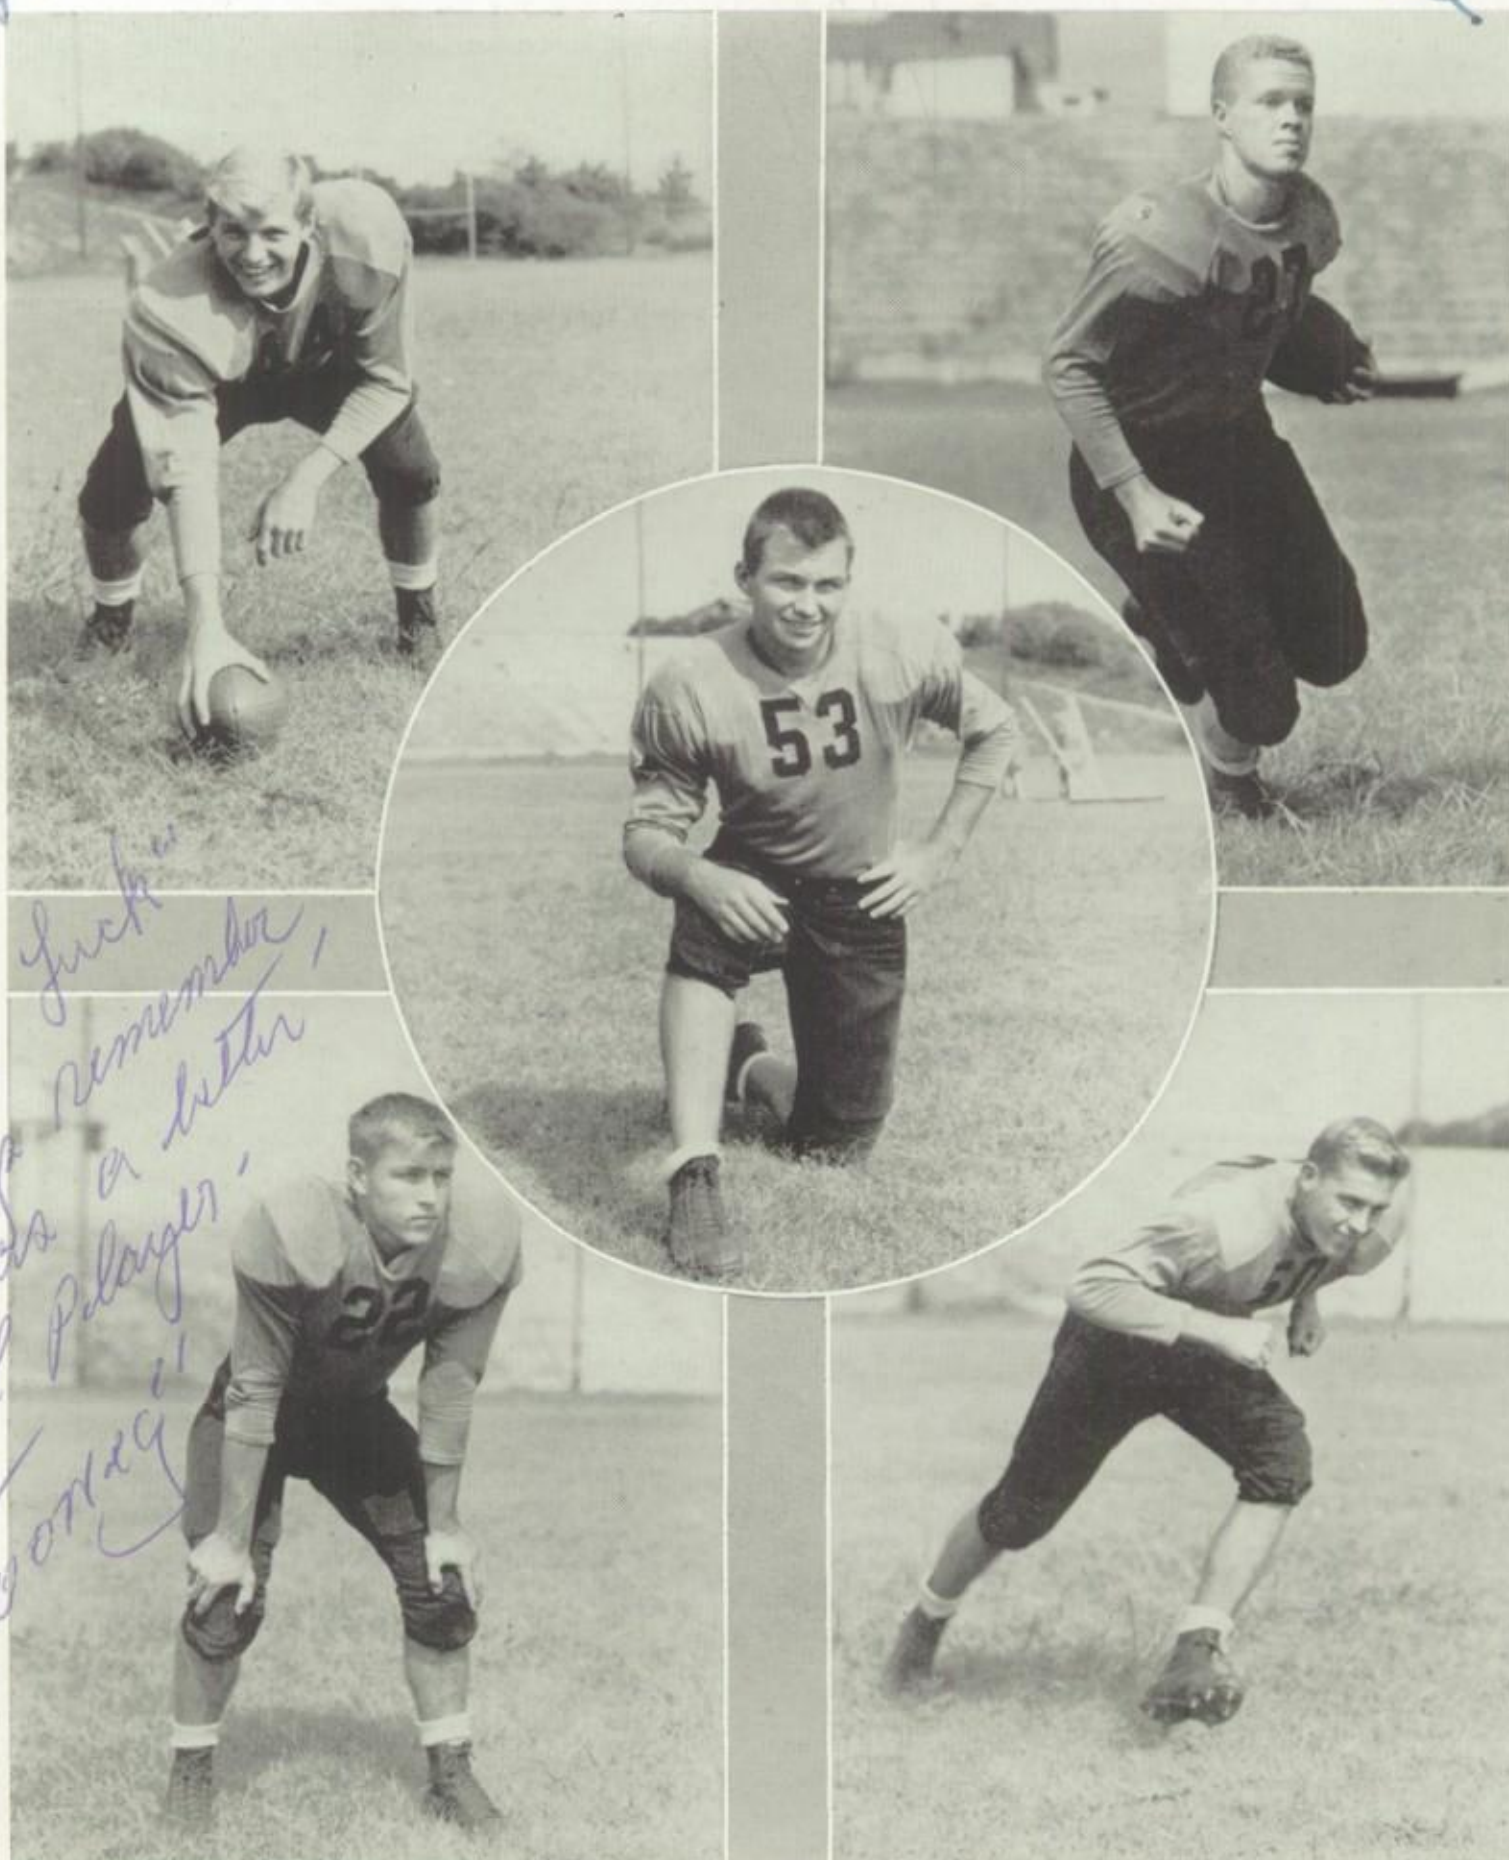

The last game of the season was to be played against Gaffney's old arch rival, the Spartanburg Crimson Tide. The Indians had gone down in defeat for the past six years and were set on licking the Tide. The game was played at Snyder Field in Spartanburg and thousands of Gaffney rooters turned out to support their team. The Gold and Black didn't let them down, as Tailback Sim Porter scored two touchdowns, behind terrific blocking, and went on to down Spartanburg, 12-6.

The Gaffney team had one of the most successful seasons in many years, as they wound up with a 7-3 record. If Gaffney had not won a game until the Spartanburg game and then whipped the Crimson Tide it would have been a successful season. But they spanked Spartanburg and also whipped such powerhouses as Greenville, Parker, and Chester, and the latter three teams didn't even score on them. Yes, George Fritts' charges should be commended on their excellent showing for the year, 1951.

Student Council, the governing body of Gaffney High School, is composed of one representative from each class. This council has as its function the enforcing of many of the school's rules and regulations. Through the election of representatives by the student body, the students are given a voice in all school problems.

The Student Council decorated and entered

a float in the annual Christmas Parade. They also decorated a gorgeous Christmas Tree in the auditorium. Gifts were placed around it and turned over to our local Salvation Army Chapter.

Not only does the Student Council teach its members to accept responsibilities, but it also helps all students to learn to follow rules designed to benefit all.
